Gentlemen,

This letter is to confirm our recent discussions regarding schedule changes to be made this holiday season.

The Carrier will run alternate schedules on each District on Christmas Eve December 24, 2025, and New Years Eve December 31, 2025 (Christmas Eve and New Years Eve). These schedules are attached to this Agreement for reference but have not been negotiated by the Parties and are not part of this Agreement.

On the Metra Electric District (MED), employees that normally work on Saturdays will be required to pick an Assignment to work on Christmas Eve and New Years Eve. These picks will be awarded in seniority order and will be open for pick up until 5:00 PM two (2) days before the assignment works (i.e. 5 PM December 22nd and December 29th). Employees may only pick an assignment when it will not create an Hours of Service violation protecting their regular assignment. Any unfilled assignments due to approved absences will be assigned to extra board employees if manpower allows, then will be filled by forcing the junior qualified employee. There will be no penalty payments assessed for forcing after utilization of the extra boards.

On all other Districts, employees that normally work on the day scheduled to run on the Eves will be required to work their assignment. On Districts that normally have picks on the days assigned to work on the Eves, the regular provisions regarding those picks will apply. Employees may only pick an assignment when it will not create an Hours of Service violation protecting their regular assignment. Any unfilled assignments will be assigned to extra board employees if manpower allows, then will be filled by forcing the junior qualified employee. There will be no penalty payments assessed for forcing after utilization of the extra boards.

Commuter service employees that do not work on Christmas Eve or New Years Eve as a result of the schedule changes will be paid the rate of their regular assignment for the day (i.e. paid as if they had worked).

Commuter service employees that work on Christmas Eve or New Years Eve will be paid the higher rate of their regular assignment, or the assignment they work as a result of the schedule change, plus an additional two (2) hour payment for working.

Employees that layoff will not receive any payment under this agreement.

The Parties recognize that this Agreement has been reached to address a specific situation. The Parties acknowledge and agree that it is entered on a non-prejudicial basis and will not be referred to in any other forum.

Please signify your concurrence by signing below.

Respectfully,

I Concur:

Rana Abudayyeh
Director, Labor Relations
